

Immunization Requirements

Did you know? Since 1978, Michigan law (PH Code: 333.9208) requires that each student possess a certificate of immunization or valid immunization waiver at the time of registration or no later than the first day of school upon entry into kindergarten.

Is your child ready for kindergarten?

Students entering Kindergarten, DK, Pre-K, or Young 5's need to have the following immunizations by the start of the school year:

- 4 doses DTP or DTaP, 1 dose must be at or after 4 years of age
- 4 doses of Polio, 3 doses if dose 3 was given at or after 4 years of age
- 2 doses of MMR at or after 12 months of age
- 3 doses of Hepatitis B
- 2 doses of Varicella (Chickenpox) at or after 12 months of age or current lab immunity or documented history of varicella disease.

Parents or guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department prior to the school year.

A student who fails to meet the immunization requirement or have a valid waiver, may not be admitted to school.

To schedule Immunization or Waiver appointments, visit www.LCHD.org.

← **Don't wait until August! Appointments are available year-round.**

Walk-in Immunization Clinics available February 20th & April 22nd 9AM-6PM

Livingston County Health Department - 2300 E. Grand River, Suite 102 Howell, MI 48843
